Summary

I am a driven student that is a senior in the HVACR Engineering Technology program at Ferris State University. I believe largely in integrity, perseverance, and reliability. Without my strong work ethic and the desire to learn as much as I can, I would not be where I am today.

Objective

I am looking to begin a career after my graduation to gain valuable experience. I would like to use new experience and my past experience to help a company succeed in their goals.

Education

- HVAC/R Engineering Technology and Energy Management | 2018 - present | Ferris State University
- Associates Degree in HVAC/R Technology | 05/2018 | Ferris State University
- Diploma | 05/22/2016 | Fremont High School
- Dual Enrollment | 2015-2016 | Muskegon Community College

Experience

- Summer intern at Grand Valley University | Summer of 2019
- Summer intern at Hurst Mechanical | Summer of 2017 and 2018
- Sales associate at Fremont Cinemas | 11/2015 - 2019
- Sales associate at Wesco | 06/2014-02/2016
- Student at Newaygo County Career Tech Center (NCCTC) | 2014-2016
