Professional Experience

Operations Intern

Summer 2019

Flintco, LLC, Tulsa, OK, \$15mil Orthopedic Center Addition & Remodel

- Generated a comprehensive procurement log complete with overdue/delay notifications.
- Accelerated submittal submissions and created a tracking sheet to align with the project schedule.
- Performed daily quality control inspections and site safety inspections.
- Improved Lean schedule tracking methods and updated weekly schedules.
- Directed field-related questions and concerns from tradespeople and other personnel.

Maintenance Technician

Summer 2018

Lafayette Parks and Recreation Department, Lafayette, IN

- Conducted plumbing and electrical repairs as needed on parks facilities.
- Verified work was installed according to specifications.
- Completed surveys with instruments to align with site boundaries.
- Assisted with concrete pours to ensure timely completion of work.

Safety and Environmental Intern

Summer 2017

Crown Equipment Corporation, Greencastle, IN

- Performed safety audits and air permit assessments to align with OSHA/EPA requirements.
- Inspected under-hook lifting devices and devised a tracking log for time-sensitive inspections

Affiliations

Mechanical Contractors Association (MCA)

Aug. 2018–Present

- Treasurer – Budget club funds, plan trips to MCA National Conventions, track meeting attendance and retention, and manage finances for the club chapter School of Construction Management Golf Outing.
- Competition Team Member – Developed a schedule for a mock mechanical renovation of a stadium, aided in composition of bid package, and attended MCAA National Convention.

Sigma Lambda Chi (SLC)

Nov. 2018–Present

- Tutor underclassmen students, volunteer for career fair set-up and tear-down, and aid in design and construction of an ADA compliant ramp at a nature education center.

Construction Leadership Council (CLC)

Aug. 2019–Present

- Work alongside the Head of the School of Construction Management Technology to raise club retention, create promotional materials, unify club efforts, and ensure club longevity.

Associated Builders and Contractors (ABC)

Aug. 2017–Dec. 2017

- Competition Team Member – Devised a comprehensive safety program for a mock construction project, placed third in ABC's national competition.
